Ed, reur 11/23:If Skolnick proves Hunt and Nixon were together 11/22/63 he'll prove that Hunt didn't off JFK, for Nixon left before the job was done. ...Skolnickx apparently knew better than to pull that "sensation" this past weekend, where he had a few experts in addition to the nuts. But I'll welcome the text of his "news service" item if you get it. ...I am without doubt of the solidity of the official report of the D.Hunt crash. There do remain mysteries and I've some documents on one. Skolnick's loud static covered them over. ...Chicago Today has it in for Executive Action, two reviews in 4 days. In my view the pans and cracks about commercialism are justified. She is wrong on The Parallax View, an interesting novel not on the JFK assassination. ...Maybe it is. I was thinking of The Biliken Courier. However, I have read none not better than the book Executive Action. I have just met Freed and I knew Lane, so I'm prejudiced. Twins. HW 11/28/73
